

A scenic view of the sea from a cave opening. The cave's interior is visible at the top, with a large, irregular opening looking out onto a bright blue sky and the ocean. The sea is a deep blue with white-capped waves. In the middle ground, a dark blue motorboat with a white canopy is on the water, with several people on board. The foreground on the left is a rugged, reddish-brown rock formation.

El Palace by the sea

A new way to see and experience our famous city,
by the sea on board our Sea Ray SDX 270.
