Welcome to Sauternes! After Bellinglise in Picardy, we're delighted to welcome you to Suduiraut to share this little corner of paradise with you, surrounded by over 200 acres of vines!

Visit the castle's wine cellars, where we'll explain how this famous Premier Cru wine was produced!

Martial

Our chef will serve you dishes that represent regional specialities, including grenier médocain, a beef cooked in a fragrant spiced broth, made popular by General de Gaulle. If you are lucky enough to be at Suduiraut during the feast-filled month of February, you can enjoy a perfectly marbled steak with the subtle touch of juice-cooked shallot.
